SUMMARY

Technical Product Manager with 2.5+ years in data and operations for government-partnered sports programmes. I ship production software by owning scope, architecture and quality while directing AI coding agents, taking a bilingual national platform from prototype to production in six weeks. Foundation in reporting automation (VBA, Power Query, Power BI) and transactional auditing.

WORK EXPERIENCE

Inspiratus Consulting

Jan. 2024 – Present

Technical Product Manager · Aug. 2026 – Present

- Led delivery of the **UAE School Games** platform: bilingual (EN/AR) public site, coach portal, admin console and offline-first event check-in for 400+ schools, taking an AI-generated prototype to production in **6 weeks**.
- Designed role-based access (7 roles), secure authentication and a 61-table PostgreSQL data model; ran CI/CD with staging-to-production and migration gates, **1,864 automated tests** and **355 merged pull requests**.
- Directed AI-assisted delivery (Claude Code): parallel agent lanes, 260+ decisions, 22 feedback rounds.
- Leading the e-commerce transformation of a US wellness group company: security audit, staging with gated CI/CD and rollback, ~210 custom code units refactored into a tested plugin; mobile Lighthouse **54 → 84**.

Data & Operations Analyst · Jan. 2024 – Aug. 2026

- Lead end-to-end data management for the Abu Dhabi Sports Championship across 27,000+ athletes and 400+ schools in partnership with ADEK, Abu Dhabi Sports Council, & Ministry of Education.
- Develop and maintain automated reporting systems using Excel VBA, Power Query, & Power BI to generate registration, attendance, and results reports for government stakeholders on a daily, weekly, and monthly basis.
- Perform data quality control, attendance forecasting, and resource planning while coordinating directly with schools, government entities, and internal teams to resolve data discrepancies and support event operations.

SEPHORA

May. 2023 – Oct. 2023

Internal Control Trainee

Dubai, UAE

- Conducted extensive data & statistical analysis with approximately 900,000 monthly transactions valued at \$20M throughout the Middle East to detect anomalies and potentially fraudulent activities.
- Presented monthly dashboards, findings and action plans to regional managers and the board.

Baker Tilly Middle East

May. 2022 – Jan. 2023

External Audit Trainee

Abu Dhabi, UAE

- Analyzed financial statements in Excel for external audits and ICV certifications.

EDUCATION

Abu Dhabi University

Aug. 2022

B.BA, Finance

Abu Dhabi, UAE

- **Honors:** Cum Laude · GPA 3.7
